

CART-2 Cylinder Cart

The Burners, Inc. cylinder cart is designed to allow two 33# or 43# forklift cylinders to be moved simultaneously and safely. The 30" wheelbase allows the cart to be more stable than other carts and resist tipping. The cart can be used with both standard steel and aluminum forklift, propane tanks.

BONUS - The CART-2 Forklift Cylinder Cart is designed with an added support bar to facilitate up to four aluminum 33# tanks to be carried at one time. Ask your Burners, Inc. Customer Representative for details
