

CR-20-18 Cylinder Rack

As a precautionary step against any unnecessary hazards, our cylinders racks not only protect your employees and others from harm, they also protect and extend the life of your cylinders. These sturdy OSHA yellow racks have lockable doors and warning signs. The paint is baked on, for a long lasting finish. Our racks are built of **100% welded construction**. They come **fully assembled**, saving you costly set-up time and eliminates the chance of loose bolts.
